

An aerial photograph of a rural landscape. The foreground and middle ground are dominated by large, green agricultural fields, some of which are divided by stone walls or narrow paths. A prominent dirt road or track runs diagonally across the lower half of the image. In the background, rolling hills are visible under a clear blue sky. Several wind turbines are scattered across the horizon, particularly on the left side. The overall scene is bright and open, suggesting a rural or semi-rural setting.
