SITUATION

21 South Drive forms part of the prestigious Liff Hospital development set in a semi-rural location on the western periphery of Dundee within approximately 50 acres of mature parkland. The apartment forms part of Gowrie House, a former hospital building set to the south side of the main re-development and it enjoys wonderful views over the well maintained grounds with the River Tay and Fife hills visible in the distance. There are private tennis courts available for residents' use and a children's nursery within the grounds. Liff primary school is within walking distance.

In addition to the city centre itself, both the west end area (4 miles away) and the suburb of Broughty Ferry (8 miles) offer their own upmarket shopping districts with an excellent range of specialist shops and amenities. From Liff there is also easy access to a number of retail parks and out of town shopping centres between them offering a good selection of supermarkets and national retailers providing for virtually every requirement. Dundee Technology Park is only 2 miles away and Ninewells Hospital 3 miles, plus it is also convenient for the universities. There is quick access to the main A90/M90 motorway network linking Perth, Edinburgh and Aberdeen, whilst Glasgow is approximately ninety minutes to the southwest.

The area offers ready access to the charming surrounding villages and towns of Angus and North-East Fife, including St. Andrews and Carnoustie as well as some particularly fine countryside. With a lovely mix of farmland, coastline, hill and wood, the result is to provide a home for an array of wildlife as well as presenting a fine choice for the outdoor enthusiast with walking, cycling, riding, sailing and golf all readily available.
