#### **SITUATION**

The Land at Black Mount is situated in a scenic and accessible rural location within Midlothian, close to the settlement of Howgate and 3.5 miles to the southeast of the popular town of Penicuik. The land benefits from direct access onto adjacent public roads and is only 7.5 miles south of the Edinburgh City Bypass, offering excellent transport links to both the north and south of the country. Penicuik provides a range of day-to-day amenities including a variety of retail and business services, and primary and secondary schools. The large retail and industrial park at Straiton, which is located about 7 miles to the north, offers a wide selection of services and major retailers including IKEA and Costco.

The nearby train station at Gorebridge, around 7 miles from the property, provides fast rail connections to Edinburgh and beyond. The City of Edinburgh offers a broader range of services, including financial centres, retail and business facilities, and regular mainline railway connections, international airport services are available from Edinburgh Airport.

This part of Midlothian is renowned for its high-quality mixed farming units, and the Land at Black Mount offers a mix of fertile soils capable of producing good yields across a variety of arable crops and areas of pasture and grazing land well suited to the rearing of livestock. The area is well

served by a range of agricultural merchants and suppliers, with several agricultural contractors available to provide additional farming resources if required. The excellent road network provides easy access to a number of livestock markets located in Lanark, Stirling and St Boswells offering a choice of outlets for livestock purchases and sales.

#### DESCRIPTION

The Land at Black Mount offers a versatile block of mixed arable and livestock farmland extending to approximately 346.32 Ha (855.76 Acres) in total and is located within a highly accessible location within rural Midlothian. The land is split into four separate blocks by the B6372 and the minor public road which leads south from the A6094 and Rosslynlee Trout Fishery, and comprises a productive mix of arable, pasture and grazing ground with a number of areas of woodland providing shelter and amenity to the holding. The land benefits from direct access onto adjacent public roads, which link onto the A701 to the west or the A7 to the east. The land has been principally classified as Grade 4 and 5 by The James Hutton Institute with some smaller areas of Grade 3 and is of a varying aspect rising overall from 253m to 280m above sea level. The arable land has historically been farmed on a mixed arable operation, with cereals and temporary grass all grown as part of the rotation.
