SITUATION

The plot at Saucher lies in a highly sought-after setting in the county of Perthshire, located on the fringe of the village of Saucher.

The cities of Dundee and Perth can both be reached within 30 minutes offering extensive services and facilities including national retailers, banks, main line railway station, concert hall, theatre, cinema, museum, and supermarkets.

The plot enjoys a highly accessible location being within about a 20-minute journey by car to both the A9 and A90 dual carriageways offering road connections to Stirling, Glasgow, Edinburgh and Inverness. Perth train station provides regular daily services north and south during daytime and overnight sleeper services to London. The international airports of Glasgow and Edinburgh can be reached in about one and a half hour's journey by car. Dundee, some 16 miles to the east, has an airport with daily flights to London.

Perthshire is well known for its wide range of activities and amenities, which can all easily be reached from the plot. An extensive network of walking and cycle trails runs through the county with hill walking and mountain biking readily available in the nearby hills and glens. whilst fishing can be taken locally on both the River Earn and River Tay.

The plot is well placed within Perthshire for several private schools including Glenalmond College, Strathallan to the south of Perth, and Craigclowan in the city centre. Dundee offers the High School of Dundee as a independent schooling opportunity.

DESCRIPTION

The Saucher Plot

The plot benefits from planning permission in principle for a dwellinghouse (Ref: 23/01262/IPL) which was granted in October 2023 and will last for 5 years from this date. The site extends to 0.11 hectares (0.28 acres). The plot is sited on the edge of Saucher Village Green and will offer a dwelling with a sizeable rear garden bounded by newly planted hedgerows. The planning permission presents an exciting opportunity to develop a new build dwelling in an existing community with plenty of surrounding green space and the outstanding views to the Sidlaw Hills. Whilst there are no service connections in place there are nearby mains water and electricity systems which can be connected with; a septic tank will need to be installed.

DIRECTIONS

Head north from Perth via the A94 for approximately 9 miles turning right toward Saucher following the road for just under a mile, the Saucher plot will be visible on the right-hand side of the road.
